STRENGTH

RUST PROOF

EXTREME HEAT

LIGHTWEIGHT

EFFICIENT

Better tools for better business

Traditional torches

- Titanium and stainless steel components for durability
- High-output heat for a performance advantage
- Ultra-light tools for less worker fatigue

Raptor torch

- Automatic on/off with built-in piezo ignition
- Interchange torches with quick connector
- High-output, shorter flame with quick-change burners

Characteristics	High-Performance Titanium	Premium Stainless Steel	Essential Stainless Steel	Raptor (Two Burners)
