Brazing protector pad Stop' Flam 5450

Reference: 5450

Price: 31,24 € Excl. Tax 37,49 € Incl. Tax

Description

Brazing protector pad STOP' FLAM provides a very high degree of thermal protection without toxic fibre.

Thermal protection without toxic fibre is good for the planet!

It is long-lasting and very durable in use.

Brazing protector pad STOP' FLAM is very supple and resists much folding. It is easy to use due to its pure silica woven envelope.

Sold in packs of 2, this reference can be returned to you within 72 hours of receipt of your payment.
