Flat flame burner 3550

Reference: 3550

Price: 17,33 € Excl. Tax 20,80 € Incl. Tax

Description

This paint burner with flat flame scans the surface to be treated with a very weak gas flow.

It is suitable for disinfection and stripping of the surfaces which have to be prepared for later interventions or to ensure an optimal result.

It is used for Ref. 511, 525, 531
