Multifunction lamp 8700

Reference: 8700

Price: 16,96 € Excl. Tax 20,35 € Incl. Tax

Description

An ergonomic and easy to use blowlamp!

The multifunction blowlamp Ref.8700, designed for copper brazing and tin brazing, represents what is more practical and easier to use in the brazing torch category.

This blowlamp has a great autonomy (> 1h15 mn) as well as an ergonomic handle giving the professional a better grip on the blowlamp.

Like all blowlamps Ref. 8800 and 8900 and with its metal bell jar, the blowlamp 8700 is guaranteed for 2 years.

By choosing this product from the Express brand, you are guaranteed to have a quality and high reliability product.

This Express product is available for sale online and can be delivered to you within 72 hours of receipt of your payment.
