Multifunction lamp Cat. No. G8200

Reference: G8200

Price: 17,94 € Excl. Tax 21,53 € Incl. Tax

Description

An ergonomic and easy to use blowlamp!

The multifunction blowlamp Cat. No. G8200, designed for copper brazing and tin brazing, represents what is more practical and easier to use in the brazing torch category.

This blowlamp has a great autonomy (> 1h15 mn) as well as an ergonomic handle giving the professional a better grip on the blowlamp.

By choosing this product Galaxy By Express from the Express brand, you are guaranteed to have a quality and high reliability product.
