Stainless Steel' Express roofer kit 6225

Reference: 6225

Price: 360,14 € Excl. Tax 432,17 € Incl. Tax

Description

This Stainless Steel' Express roofing torch kit includes a Cat. No. 100S stainless steel burner, as well as a Cat. No. 50S burner, two neck tubes and a bi-material handle with trigger and swivelling connector (Cat. No. 620), a 20-metre hose (Cat. No. 963/20S) and a 4-bar regulator (Cat. No. 684).

It is also a versatile tool and effectively performs tasks such as drying, heating marking, removing snow, disinfecting and thermal weeding.

This roofing torch kit superbly lives up to the expectations of professional users, who will find this waterproofing pack at their usual Express retailer and online on this site.

It can be delivered within 72 hours of receipt of your payment.
