Description

Titan' Express propane roofing blow torch pack Cat. No. 6422.

Guilbert Express has created the Titan' Express propane roofing blow torch pack (ref. 6422) to deliver unequalled performance and work comfort. Designed for professional roofers and DIY enthusiasts who wish to undertake top quality roofing work, this roofing blow torch kit enables everyone to own a very high power propane roofing torch, complete with titanium roofing burner, which is up to 40% lighter than conventional models.

This professional roofer pack Cat. No. 6422 comprises a titanium roofing burner Cat. No. 150T), a neck tube Cat. No. L400), a "bi-material" handle with trigger Cat. No. 620 and

swivel attachment, a 20-metre hose with a reinforced frame at the crimped sleeve outlet connection Cat. No. 963/20SP and a 4 bar HP regulator Cat. No. 684.

So, if you are a professional roofer who requires a particularly light and high-performance roofing burner pack that offers excellent value for money and is one of the least cumbersome on the market, look no further!

It will be delivered to you within 72 hours of receipt of your payment.
